

Grateful Patient? Thank Your Health Care Provider ...

Dr. Wilson W. Shaw once gave Kurt Pfaff back the ability to walk. Now The Grateful Patient Fund in honor of Dr. Wilson W. Shaw has been created for the whole community to thank those who have cared for them by Pfaff and the family of the surgeon who served at WCA for many years. With your gifts, the fund will grow to give grants for surgical and medical equipment at UPMC Chautauqua WCA to serve you even better.

#35 Frenzy is Coming!

Don't be left out. #35 Frenzy will begin starting Monday May 22nd and end 35 days later on June 25th - the day WCA Foundation was incorporated.

#35 Frenzy will be an effort to get as many donations of \$35 as possible in 35 days. The 35 theme is to celebrate the years WCA Foundation has been serving this community with grants to support the best health care possible at our community hospital WCA and now UPMC Chautauqua WCA.

Write your check today or click on the #35 Frenzy button and donate on-line if you want to be one of the first to give. It's never too early to give, and if you want to add some extra zeros to the \$35, be our guest. Challenge your family, friends and co-workers to do the same. All donations stay at WCA Foundation and benefit you through grants for medical equipment to UPMC Chautauqua WCA in Jamestown.
